

Volunteer of the Month

Congratulations to our March 2017 Volunteer of the Month, James McCann!

James McCann is a volunteer that has had a tremendous impact on SDWS, through his hundreds of hours of service as our Technical Director over the past 3-1/2 years. His innovations and dedication have resulted in our website and technological abilities to keep up with the times, and to continue to place SDWS among the top-rated art associations in the world. The ability to enter paintings online for Member Shows as well as our annual International Exhibition, along with an image of each painting, as well as the access to other associations' and artists' websites are just a small example of the innovations that James provided with his talent. And if that weren't enough, he would cheerfully fill in at the front desk of our gallery when we needed a volunteer staffer! James is a gem, and we count ourselves very, very fortunate to have been the beneficiary of his time, knowledge and expertise. We are very proud to honor James as our March 2017 Volunteer of the Month!
